Career change

Interest in programming dates back to my early years, but life took me on a different path. I launched my own webshop on WordPress in 2018. Trying out simple coding to customize it sparked a passion that was always there but hadn't come to life before.

CONTINUOUS LEARNING • SELF-MOTIVATION • OPEN-MINDEDNESS

Ecommerce Business Owner KakasUdvar 2018 - 2023

I created individually designed products with CO₂ laser technology, which I sold on my own website.

CREATIVITY • CRITICAL THINKING • USER-CENTERED

DTP operator Richter Gedeon Plc. 2018 - 2022

Developing visually striking graphic designs for projects, utilizing the company's in-house printing machinery, including UV, digital, and eco-solvent printers, cutting plotters, CO₂ laser machines, and manual engravers. Emphasis has been placed on aligning with current trends and corporate standards.

TEAMWORK • PRECISION • PROACTIVITY • FLEXIBILITY • MULTITASKING

Administrative Coordinator BHRG FOUNDATION 2011 - 2018

Responsible for overseeing and executing the administrative tasks of the organizational foundation. Developing both offline and online graphic materials. Planning and organizing training programs and conferences from start to finish.

PROBLEMSOLVING • ORGANIZATIONAL SKILLS • COMMUNICATION • INDEPENDENCE
